## AGILE TRAINING CHAMPIONS

HELPING YOU EXCEL

*Projects succeed because of people. People are productive when processes are in place.*

Ready for the success trip?

## Who are we?

- We specialize in delivering practice oriented training in the areas of Agile methodologies and project management.
- We offer group training, individual coaching, and introducing practice oriented sessions to academic institutions. (*eLearning coming soon*)
- Our approach is based on a unique model developed by Dr. Rajagopalan.
- Our mission is to help you excel in your career through successful delivery of projects and transforming you and your organization's goals into reality.

## Why choose us?

- We offer competitive pricing to provide the skills necessary for your success in agile project management.
- Based on a unique model, we offer two hours of individual coaching after training and provide support for networking and career assistance.
- We offer speaking engagements where we can present any of our topics during a lunch-and-learn session.
- Our Lead Trainer, Dr. Rajagopalan, has been recognized for his excellence in project management.

## Current Offerings

- Agile Project Management with Scrum
- Emotional Intelligence
- Overview of Agile Methodologies
- Agile Estimation and Planning
- Agile Tooling
- Distributed Agile Practices
- Leadership Strategies
- Scrum Training
- Microsoft Project for Project Managers
- Microsoft SharePoint
- Team Building and Goal Setting Skills
- Time, Conflict, and Delegation Skills
- Communication Skills
- Stress Management

Have a course that you would like us to package together for you?

Do you want to schedule one of our courses at your site?

## Helping you Excel!

**You can do it! We can help!**

Our excellence comes from using techniques and tools that you can take to your work or use to accelerate your career.

*Whatever your mind can conceive and believe, it can achieve. Learn the skills so that you can earn the experience.*

Weekends are a challenge? If weekday evenings are an option for you, we can work around your needs.
